

UNIVERSITY OF PARDUBICE Faculty of Chemical Technology	
<b>A M E N D M E N T No.1 to the Directive No. 4/2023</b>	
Re:	<b>Admission Procedure for the Academic Year 2024/2025</b>
Applies to:	applicants for study
Effective from:	1 <sup>st</sup> February 2024
Reference number:	sfcht/0020/24
Written and submitted by:	prof. Ing. Petr Mošner, Dr.
Approved by:	prof. Ing. Petr Němec, Ph.D.

### **Bachelor's Degrees**

**Management of Sustainable Businesses** (maximum number of students: 100, course in the Czech language)

Applicants with completed secondary education or completed secondary vocational education will be admitted in the three-year bachelor's degree in *Management of Sustainable Businesses* without taking an admission exam. In this study programme, applicants will only be admitted for the full-time form of study.

**Application submission deadline:** for the bachelor's degree programme “Management of Sustainable Businesses”

**31<sup>st</sup> March 2024**

**Chemistry for Science** (maximum number of students: 40, course in the Czech language)

Applicants with completed secondary education or completed secondary vocational education will be admitted in the three-year bachelor's degree in Chemistry for Science on the basis of a written admission exam in chemistry in the scope of the secondary school curriculum. A ranking will be compiled based on the test results, and those who achieve the highest rankings will be accepted up to the specified maximum number of admitted students.

The written admission exam will be exempted for applicants who meet one of the following criteria:

a) Successful participant in the national round of the Olympiad:

Biology Olympiad category A

Chemistry Olympiad categories A and E

Physics Olympiad category A

b) Successful participant in the national round of the Students' Professional Activities competition in the field of chemistry.

In this study programme, applicants will only be admitted for the full-time form of study.

**Application submission deadline:** for the bachelor's degree programme “Chemistry for Science”

**31<sup>st</sup> March 2024**

**Admission exam date:** for the bachelor's degree programme “Chemistry for Science”

**May / June 2024**
