| A M E N D M E N T No. 4 to Directive No. 5/2024        |   |
| Re:  | Admission Procedure for the Academic Year 2025/2026 |
| Applies to:  | applicants for study                                |
| Effective from:  | 1 <sup>st</sup> May 2025                            |
| Reference number:                                      | UPCE/dfcht/00007789/2025                            |
| Written and submitted by:                              | prof. Ing. Petr Mošner, Dr.                         |
| Approved by:   | prof. Ing. Petr Němec, Ph.D.                        |

This Amendment No. 3 to Directive No. 5/2024 on the Admission Procedure for the Academic Year 2025/2026 is hereby amended:

## **Application submission deadline for the following bachelor's degree programmes:**

31st May 2025

## Follow-up Master's Degrees

**Chemical Engineering** (maximum number of students: 15, course in the Czech language)

This two-year follow-up master's degree is intended for graduates of bachelor's degrees, subject to a successful oral interview. A list of applicants will be made according to the results of the interviews. Students will be admitted from the top of the list until the capacity of the degree is achieved. In this study programme, applicants will only be admitted for the full-time form of study.

30th June 2025

prof. Ing. Petr Němec, Ph.D. Dean
