### **Article 1 Introductory Provisions**

In view of the interruption of the electricity supply to the premises of the University of Pardubice in Doubravice on 15<sup>th</sup> September 2025, due to a planned outage connected with final works following the replacement of the transformer, the Dean of the Faculty of Chemical Technology of the University of Pardubice (hereinafter referred to as "FChT") issues this Measure.

### **Article 2 Current information**

To all employees of the FChT with workplaces located in the Faculty's premises in Doubravice (hereinafter referred to as "employee"), I hereby notify an obstacle on the side of the employer arising from the planned interruption of the electricity supply, which is connected with the completion works following the replacement of the transformer. The obstacle on the side of the employer shall occur on 15<sup>th</sup> September 2025. During the period of this obstacle on the side of the employer, the employee shall not attend the workplace and shall not be assigned work under the employment contract. At the same time, I hereby inform you that employees are entitled to wage compensation in the amount of their average earnings.

### **Article 3 Final Provisions**

This measure is valid and effective on 15<sup>th</sup> September 2025.
