

CURRICULUM VITAE

LENKA BRANSKÁ

EDUCATION AND SCIENTIFIC AND PEDAGOGICAL DEGREES

- 2011 Successfully completed procedure for appointment as an associate professor in the field of Management and Economics of Enterprises, Tomas Bata University in Zlin, Faculty of Management and Economics
Habilitation thesis on the topic “Quick Response Method Application in Supply Chains Involving Chemical Continuous Productions”
- 1997 – 2001 Doctoral study in the field of Enterprise Management and Economics, University of Pardubice, Faculty of Chemical Technology
Dissertation on the topic “Strategic Planning of Distribution Channels in Chemical Companies”
- 1987 – 1991 Master’s study in the field of Economics and Management of chemical and food industries, University of Chemistry and Technology, Pardubice
Diploma thesis on the topic “Analysis of Organizational Structure of Project Institution”

EMPLOYMENT

- 2012 – present University of Pardubice, Faculty of Chemical Technology, associate professor (2007 – 2015 Head of the Department of Economy and Management of Chemical and Food Industries, 2015 - 2018 Deputy Head of the Department of Economy and Management of Chemical and Food Industries)
- 1996 – 2012 University of Pardubice, Faculty of Chemical Technology, assistant professor (2005 - 2007 Deputy Head of the Department of Economy and Management of Chemical and Food Industries for pedagogical activities)

STUDY AND WORK ABROAD

- 2018 – 4 weeks University of Dubrovnik, Dubrovnik, Croatia
- 2017 – 1 week Lund University, Lund, Sweden, program Erasmus
- 2017 – 1 week University of Dubrovnik, Dubrovnik, Croatia, program Erasmus
- 2015 – 1 week University of Dubrovnik, Dubrovnik, Croatia, program Erasmus
- 2014 – 1 week University of Madeira, Funchal, Portugal, program Erasmus
- 2012 – 1 week Link School of English, Valleta, Malta
- 2008 – 1 week Kaunas University of Technology, Kaunas, Lithuania, program Erasmus
- 2005 – 4 weeks University of Malta, English Language Institute, Malta

PEDAGOGICAL ACTIVITY

LECTURING

UNIVERSITY OF PARDUBICE, FACULTY OF CHEMICAL TECHNOLOGY

Doctoral study programmes: study program “Organic Technology” - subject Process Management of Manufacturing Systems (2009 – present), study programme “Chemical and Process Engineering”, field of study Enterprise Management and Economics – subject Quality, Environmental, Health and Safety Management (2009 – 2015)

Master’s study programmes: Economics and Management of Chemical Manufacturing (2007 - present); Quality, Environment and Safety Management ((2007 - present); Business Operations (2019 – present).

Bachelor’s study programmes: Management of Chemical and Food Manufacturing (2005 – 2018), Introduction to Management of Chemical and Food Manufacturing (2019 – present), Management (2010 – 2014)

SUPERVISION OF FINAL THESES (defended theses)

Diploma theses: University of Pardubice, Faculty of Chemical Technology (20)

Bachelor’s theses: University of Pardubice, Faculty of Chemical Technology (15)

MEMBERSHIP IN COMMITTEES FOR STATE DOCTORAL AND FINAL EXAMINATIONS

MEMBERSHIP IN COMMITTEES FOR STATE DOCTORAL EXAMINATIONS AND DEFENCE OF DISSERTATIONS: University of Chemistry and Technology, Prague, Faculty of Chemical Engineering, Prague, Czech Republic; University of Pardubice, Faculty of Chemical Technology, Pardubice, Czech Republic

MEMBERSHIP IN COMMITTEES FOR STATE FINAL EXAMINATIONS: University of Pardubice, Faculty of Chemical Technology, Pardubice, Czech Republic

GUARANTEE OF STUDY PROGRAMMES

Guarantor of the bachelor’s study programme Economy and Management of Chemical and Food Industry at the Faculty of Chemical Technology, University of Pardubice (2013 –2021)

PEDAGOGICAL GRANTS

Project IRS/2019/003 Creating Subjects of "Forecasting in Business Management" and "Business Operations" in the newly accredited Master's Degree Programme "Economy and Management of Chemical Industry Enterprises", Ministry of Education, Youth and Sports CZ, member of researcher team, 2019.

Project IRS/2017/006 “Innovation of the Quality, Environment and Safety Management Course Taught in Master's Degree Programmes at FCHT”, Ministry of Education, Youth and Sports CZ, lead researcher, 2017.

Project IRS/2015/062 „Multimedia presentations of selected business processes to increase effectiveness of economic-managerial courses“, Ministry of Education, Youth and Sports CZ, member of researcher team, 2015.

Project CZ.1.07/2.2.00/15.0343 “Innovation of Tuition in the Fields of Study Economy and Management of Chemical and Food Industry Enterprises at the University of Pardubice”, Operational Programme “Education for Competitiveness”, guarantor of project, 2010 – 2013.

Project IRS/2008 „Creation of a new subject Management of chemical and food productions” Ministry of Education, Youth and Sports CZ, lead researcher, 2008.

RESEARCH

RESEARCH PROJECTS

Research project “Towards Regenerative and Sustainable Development and Society”, Fund for Bilateral Relations within the framework of the EEA and Norway Grants 2014-2021, member of the project team, 2022 – 2023, EHP-BFNU-OVNKM-4-079-2022.

Research project “Programme for Exchange of Best Practices in Social Responsibility”, Fund for Bilateral Relations within the framework of the EEA and Norway Grants 2014-2021, member of the project team, 2020 – 2022, EHP-BFNU-OVNKM-3-134-01-2020.

Standard projects supported by the Grant Agency of the Czech Republic (GAČR), member of project team: Project No 403/12/1279 “Tools for strengthening the long-term relationships with customers based on integration and cooperation of value network subjects”, 2012 – 2014.

Standard projects supported by the Grant Agency of the Czech Republic (GAČR), member of project team: Project No 402/06/0577 “Increase of Company Performance Efficiency through Differentiated CRM on a Basis of Customer Actual and Potential Value to a company”, 2006 – 2008.

Specific science projects, University of Pardubice grant competition, member of the project team: Research in Significant Areas of Environmental Engineering and Sustainable Innovation Management (2021), Advanced Practices of Environmental Engineering and Value Management (2019), Modern Practices in the Fields of Environmental Engineering and Value Management (2018), Methods and Techniques of Environmental Engineering and Value Management (2017), Development and Application Methods and Techniques of Environmental Engineering and Value Management (2016), Application of Modern Techniques in Environmental and Chemical Engineering, and Management of the Value Networks (2015), Modern Practices and Operations in Environmental and Chemical Engineering, and Performance Management in the Value Networks (2014), Advanced Practices of Environmental Engineering and Value Management (2011), Development of New Procedures for Environmental Engineering and Network Value Management (2010).

Scientific projects funded by grant agency of University of Pardubice: lead researcher: Analysis of the state of implementation of QMS, EMS a HSMS systems and possibilities their integration (2006), Transformation of quality management system in chemical enterprise (2002), Influence of the market environment turbulence for the distribution channels creation in chemical enterprises (1998), Organization of marketing in chemical enterprises (1997).

Scientific projects funded by grant agency of University of Pardubice: member of researcher team: Attributes of the offer quality increasing for products intended for production consumption (2003).
